**Commissioner for Patents**

The amendment sent on March 24, 2004 has been received but it is not responsive because it did not comply to the revised amendment format to 37 CFR 1.121. Amendment to the specification must be made by presenting a replacement paragraph or section marked up to show changes made relative to the immediate prior version. If a substitute specification is being submitted both a clean version and a marked up version must be submitted as per current 37 CFR 1.125.

A copy of the clean version of the specification should be sent as well as an amendment stating to substitute the enclosed specification for the present specification pursuant to 37 C F R 1.125(b).
